## WHY CHOOSE US

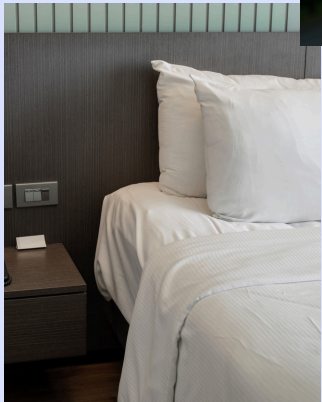

- **Safe & Structured Housing**  
We provide a secure, structured living environment designed to promote stability, dignity, and personal responsibility.
- **Support That Goes Beyond Housing**  
Our program combines housing with structured support, life skills development, peer accountability, and connections to community resources.
- **Clear Expectations & Accountability**  
Residents benefit from clear guidelines and consistent support that encourage growth, responsibility, and long-term success.
- **Individualized, Respectful Approach**  
We meet residents where they are and work with them one-on-one to support their goals and next steps.
- **Community-Centered & Collaborative**  
We partner with local organizations and service providers to ensure residents have access to the resources they need.
- **Focused on Long-Term Independence**  
Everything we do is designed to help residents successfully transition to permanent housing and self-sufficiency.

## TRANSITION TO TRANSFORMATION

New Life Transitional Housing

## SUPPORT & SERVICES

- Structured Support
- Peer Accountability

Is there a cost to stay  
at New Life  
Transitional  
Housing?

Yes, there is a cost associated with staying at New Life Transitional Housing. However, we strive to keep our rates affordable and work with residents to find financial solutions that support their recovery journey.

**ALL PAYMENT FORMS ACCEPTED.**

## NLTH

**New Life Transitional Housing is a compassionate, community-based organization dedicated to helping adults in recovery to rebuild their lives in a structured, sober, and supportive environment. The program provides safe, drug and alcohol free housing that emphasizes personal growth, accountability and long term stability. Through peer support, recovery coaching, case management, and life skills training, residents are empowered to develop essential tools for independence while maintaining sobriety. By fostering a sense of community and connection, New Life Transitional Housing guides individuals on their journey toward self sufficiency and wellness in a recovery-oriented, stable living setting.**
