ACENDA ARISE

Adolescent Recovery, Intervention & Substance Evaluation

AVAILABLE IN-PERSON & HYBRID

ACENDA ARISE supports students, parents, and schools throughout New Jersey with comprehensive, individualized substance abuse assessments. Unlike traditional group assessments, Acenda ARISE provides one-on-one evaluations for adolescents, ensuring personalized care. With flexible in-person or telehealth appointment options and an evidence-based approach, we help students get back on track—and back in the classroom—with confidence.

- **Individualized Care:** One-on-one assessments for personalized treatment with clear recommendations for higher levels of continued care as needed.
- **Flexible Appointments:** Available within 48 hours, offered in-person or via telehealth.
- **Open Referral:** We accept referrals from parents, schools, hospitals, and community organizations.
- **Prevention & Recovery Skills:** Improving decision-making abilities and equipping students to navigate peer pressure, while prioritizing their safety, health, and long-term well-being.
- **Collaborative Approach:** Weekly updates and collaboration calls with school personnel.
- **Family Support:** Separate meetings with parents to foster collaboration and ensure ongoing involvement in care planning.
- **Accessible Payment Options:** Most insurances accepted and payment plans available.
