TRUSTED BY THE NEW JERSEY MENTAL HEALTH COMMUNITY

Our programs provide comprehensive support for individuals with intensive and immediate symptoms. These programs are built for individuals recently discharged from a hospital or detox center who are presenting with acute needs. Our goal is to restore a sense of equilibrium and teach skills that empower our clients to live life outside of a clinical setting.

There are no other programs that come close to the level of care and genuine spirit of care and service they provide. - Lynn

Phoenix is my first call whenever I am looking to get someone help. - Dave

They really know what they are doing and I know that anyone I refer there will be taken care of. - Pat
