

Ophelia

Online opioid addiction treatment that saves lives

Ophelia is a comprehensive, virtual clinic that provides medication for opioid use disorder. Our mission is to make high-quality, evidence-based care affordable and accessible to all.

Medicaid accepted

How to make a referral

1. Go to our secure referral form:

<https://ophelia.com/for-referrers>

2. Enter patient details

Enter patient's name, date of birth, phone number, and the referral maker's contact info

Feel free to include any additional information like insurance coverage or schedule their intake appointment directly on the form

3. We take it from there!

Our team reaches out directly to conduct the intake, allowing the patient to start care quickly

Why refer to Ophelia?

No in-person visits required

Appointments are virtual, private, and typically available within 72 hours.

It's affordable

We accept commercial plans, Medicare, Medicaid, and cash pay.

Our primary medication is Suboxone®

We provide additional support to help patients through their treatment.

We treat co-occurring conditions

Common mental health diagnoses, stimulant use, tobacco use, and other conditions.

Our care model is grounded in harm reduction

We are zero judgment and non-punitive.
