OUR MISSION

At The Haven Detox, our mission is to help patients achieve a fulfilling life free from drugs and alcohol through an immersive, personalized recovery experience. With our expert staff and state-of-the-art facility, we provide comprehensive treatment by use of evidence-based methods to address the root causes of addiction and co-occurring mental health issues, all within a safe and comfortable environment for healing.

LEVELS OF CARE

Medically Supported Detox

Residential Care

Our two levels of care ensures a personalized and comprehensive approach, addressing both the immediate and long-term needs for effective, lasting recovery. Medically supported detox ensures a safe, comfortable withdrawal with professional supervision, while residential care provides immersive 24/7 support for focused, in-depth recovery. This comprehensive approach offers the most effective path to lasting sobriety and healing.
