Care starts with a connection.

Finding support for your child can mean many calls, insurance questions, and waiting lists. You deserve help navigating the search.

What we do

Harmony Care Finder connects families with comprehensive care for their children with Autism. Our care providers are in our network.

What we consider

Your child's needs, your insurance, your location, your schedule, and care provider availability.

We connect your family with providers in our network who deliver personalized care.

Three steps to get started.

1 Tell us about your family

Share your location, insurance, schedule, and the support you are seeking.

2 Explore your matches

Our team reviews your needs and helps identify one of our providers with suitable services and availability.

3 Connect with one of our providers

We help with the connection so you can discuss next steps with the provider.

**Real people.
Personal guidance.**

Questions? Start here.

Is matching free?

Yes. Our provider-matching service is free for families. Therapy costs depend on your insurance and provider.

Can you help with insurance?

Our team helps review coverage and identify providers who accept your plan.

How soon can care begin?

Timing depends on local openings, intake requirements, and insurance authorization.
