

# We Accept Most Major Insurance Plans

ABA therapy *can* be **affordable**. We **accept most major insurance plans**, including **Medicaid**, and help verify benefits to ensure access to care without financial stress.

## What's covered

At AtoZ Behavioral Services, we provide **personalized, evidence-based therapies** to support children's development in **communication, daily living skills, and behavioral challenges**. We work closely with families to create **individualized treatment plans**, ensuring each child develops the skills and tools needed to reach their full potential.
