Psychological & Educational
TESTING SPECIALISTS

CLEAR ANSWERS.
MEANINGFUL DIRECTION.

Educational & Psychological Evaluations
for Children, Teens & Adults

Educational expertise + clinical psychology — all in one collaborative practice.

You may be wondering…

- Why is school harder than it should be?
- Could this be ADHD, anxiety, dyslexia, or a learning disability?
- Why am I struggling with attention, memory, or executive functioning?
- Would testing help with school, college, or professional accommodations?

How an Evaluation Can Help

LEARNING
Reading • Writing • Math
Dyslexia & learning disabilities

THINKING
Cognitive strengths • Memory
Processing & problem solving

ATTENTION
ADHD • Executive functioning
Focus & organization

EMOTIONAL
Anxiety • Mood • Behavior
Psychological functioning
