PROGRAM OVERVIEW

ANCHOR360™ is a community-based youth and family stabilization program designed to support youth ages 16–21 who are suspended from school, at risk of falling behind, or in need of a safe place during the day. We provide a structured, positive environment where young adults can stay engaged, access support, and build the life skills needed to transition successfully into independent, productive lives.

WHO WE SERVE

- ✓ Youth ages 16–21
- ✓ Students who are suspended or need an alternative daytime setting
- ✓ Youth experiencing housing instability or other life challenges
- ✓ Youth who need structure, support, and positive guidance
