

ROBINSON BEHAVIOR ANALYTIC SERVICES LLC

Individualized Behavioral Consultation & Intervention | Union County, NJ

Independent, BCBA-direct services for children, adolescents, and families. I personally provide behavioral assessment, consultation, and individualized intervention.

ABOUT MY PRACTICE

I am Christopher Robinson, MA, BCBA, LBA, a Board Certified Behavior Analyst and Licensed Behavior Analyst in New Jersey and New York. My clinical experience includes supporting individuals with autism, developmental disabilities, and complex behavioral needs in home, school, and community settings. I maintain a focused caseload to provide individualized, collaborative care.

SERVICES I PROVIDE

- **Functional behavioral assessment & planning:** Identifying factors associated with challenging behavior and developing practical intervention plans.
- **Behavioral consultation & intervention:** Supporting emotional and behavioral regulation, transitions, flexibility, and daily routines.
- **Parent and caregiver coaching:** Building effective, sustainable strategies families can use in everyday settings.
- **Adaptive, executive functioning & social skills:** Supporting independence, organization, communication, self-advocacy, and problem-solving.
- **School and community collaboration:** Coordinating with other providers to help skills generalize across environments.

WHO MAY BENEFIT

Youth with autism, developmental disabilities, or significant behavioral challenges; families experiencing persistent difficulties at home or in the community; adolescents needing focused support with regulation and independence; and caregivers seeking individualized consultation rather than a traditional high-hour ABA program.

MY APPROACH

I use function-based, measurable, evidence-informed strategies tailored to each family's priorities. When clinically appropriate, I incorporate principles of Acceptance and Commitment Training (ACT) within behavior-analytic services. I welcome collaboration with care managers, social workers, schools, and other professionals.

REFERRALS & PAYMENT

Service area: Union County and surrounding New Jersey communities. **Format:** In-home, community-based, and consultation services as appropriate.

Insurance & payment: I am an out-of-network provider and can help families understand and navigate their out-of-network benefits to explore options for making services more affordable. Coverage and reimbursement depend on each family's individual insurance plan. Private-pay and other funding arrangements may be discussed on a case-by-case basis.
