

Support that fits your life.

For adults 21 and older with DDD services. Help at home, out in the community, and in therapy, from people who show up.

Behavioral Supports

A plan for hard moments, plus coaching for the family.

Community Based Supports

One-to-one help to shop, take a class, see friends.

Individual Supports

Daily living help at home, from routines to meals.

Occupational Therapy

Build skills for dressing, cooking and daily tasks.

Physical Therapy

Strength, balance and moving around safely.

Interpreter Services

Language and sign support out in the community.

Respite

A trusted break for family caregivers, at home or out in the community.

You choose your provider. Starting is easy.

1. Call NJ Care

We answer your questions.

2. Tell your Support

Coordinator

Say you want NJ Care.

3. We meet you

And build your schedule.
