Social Learning • Enrichment • Leadership • Wellness

### FUN WITH PURPOSE

Our experiences are designed by education and behavioral health professionals to help children practice meaningful social, emotional, communication and life skills while doing things they enjoy.

### Books, Stories, & Discovery

#### LITERACY ENRICHMENT

Available through  
select experiences.

### Story Lab

Story Lab is an optional  
enrichment experience where  
books, storytelling, discussion,  
creative writing, and hands-on  
activities come together in fun  
and engaging ways.

## OUR PROGRAMS & SERVICES

### SOCIAL SKILLS SQUAD

Build friendships,  
communication and  
confidence in fun,  
small-group settings.

### CHARACTER & COMMUNITY CLUB

After-school experiences  
featuring games, projects,  
leadership and community  
involvement.

### INFANT & TODDLER SOCIAL LEARNING

Play-based experiences  
that support early  
social, emotional and  
communication skills.

### EMOTION REGULATION GROUPS

Learn strategies to manage  
feelings, build resilience  
and make positive choices.

### TECHNOLOGY & DISCOVERY EXPERIENCES

VR, robotics, STEM activities  
and interactive learning  
that spark curiosity and  
problem-solving.

### INDIVIDUALIZED & FAMILY SUPPORT

Behavioral support,  
family coaching and  
personalized services  
for each child's journey.
