ADULT BEHAVIORAL HEALTH REFERRAL GUIDE

Priority Intake & Collaborative Clinical Care

THE 24-HOUR PROMISE

We know that when a patient is ready for help, timing is critical.

- **Fast-Track Intake:** All referral leads submitted via our portal are contacted within one business day.
- **Seamless Handoff:** We manage all insurance verification and patient navigation, streamlining the transition and reducing the administrative burden on your staff.
- **Specialized Providers:** Our clinical staff includes PMHNP-BC, LCSW, LPC, LMFT, LSWs, and LACs, ensuring comprehensive, integrated treatment for every patient.

CORE CLINICAL SPECIALTIES FOR ADULTS

- **Adult Medication Management:** Expert psychiatric oversight for pharmacological stability and safety.
- **Anxiety & Panic Disorders:** Clinical interventions for generalized anxiety, social phobia, and panic attacks.
- **Depression & Mood Management:** Evidence-based therapy for persistent depressive disorder and mood stability.
- **Trauma-Informed Care:** Specialized support using CBT and DBT-informed techniques for recovery.
- **Coping with Life Transitions:** Navigating grief, loss, relationship changes, and postpartum support.
- **Workplace Stress & Burnout:** Strategies for professional stress, work-life balance, and career transitions.

HOW TO REFER

Skip the paperwork and faxes. Scan QR Code or Submit your referral leads directly through our Priority Partner Portal:
