

## What We Offer

At Assurance Care & Support Services Inc., we create flexibility in all of our services to meet the unique needs of each individual and family. Whether through DDD supports or Home Care, our goal is to provide care that works best for you person-centered, compassionate, and built around choice.

## Why Families Choose Us

- Approved DDD Provider Agency
- Licensed & Accredited Home Care Agency
- We guide families into the DDD program, building relationships even before services begin
- Compassionate, professional, and well-trained staff
- Flexible, person-centered supports tailored to each individual
- Strong commitment to quality and compliance

## Areas We Serve

We service all counties in New Jersey:

## About Us

Assurance Care & Support Services Inc. is an approved DDD Provider Agency and a licensed & accredited Home Care Agency serving families across New Jersey. We are committed to delivering compassionate, person-centered supports that empower individuals and their families.

## Our Mission

At Assurance Care & Support Services Inc., our mission is to provide professional, compassionate and person-centered care that empowers every individual we serve whether in their homes, in the community, or in facilities. We support seniors, individuals with disabilities, and their families to achieve their highest potential, exercise their rights, and live with dignity and choice.
