

FUNGROW

A Creative Play Class for Kids

Create
Explore
Grow!

Give Chances presents **Fungrow**, a premium program designed by child development specialists and education experts! Through creative play and hands-on activities, children will build confidence, develop creativity, and strengthen their social skills while enjoying a fun and meaningful day.

Featured Activities

Kids will explore art, science, crafts, and play through a variety of hands-on activities that spark creativity, problem-solving, and teamwork!

- 1 Pumpkin Catapult Challenge**
Build and launch your own catapult!

- 2 Autumn Glow Lantern**
Create your own fall lantern!

- 3 Fall Leaf Chromatography**
Explore the hidden colors in leaves!

- 4 3D Fall Tree Sculpture**
Make your own fall tree!

- 5 Moon & Stars Lantern**
Create a lantern with the moon and stars!
